Bookstack EULA

This document provides the End User License Agreement (EULA) for BookStack, outlining the terms of use, licensing, and compliance. It includes information on permitted use, ownership, warranty limitations, and contact details for DevSecOps, Inc.

- V1 BOOKSTACK END USER LICENSE AGREEMENT (EULA)

V1 BOOKSTACK END USER LICENSE AGREEMENT (EULA)

Effective Date: February 19, 2025
Product Name: BookStack
Version: v1.0 | BookStack v24.05.4

1. Introduction

This End User License Agreement ("Agreement") governs the use of BookStack ("Software") available via AWS Marketplace. By subscribing, you agree to be bound by this Agreement.

2. License Grant

The Software is licensed, not sold. The developer grants you a limited, non-exclusive, non-transferable, and revocable license to use the Software in compliance with this Agreement.

3. Permitted Use

You may use the Software solely for personal or business documentation, knowledge management, and collaboration. Redistribution, modification, or reverse engineering is strictly prohibited.

4. Ownership

The Software remains the intellectual property of the original developer. Any modifications or derivative works remain under the original license.

5. No Warranty & Liability Limitation

The Software is provided "AS IS" without any warranties. The developer disclaims all liability for any damages arising from the use or inability to use the Software.

6. Compliance & Termination

Violation of any terms may result in termination of your license. This Agreement remains effective until terminated by either party.

7. Governing Law

This Agreement is governed by applicable laws of the jurisdiction in which you operate.

For the complete open-source license, see: BookStack License, Can others provide services/offerings for BookStack?.

10. Contact Information
